Profile Summary

Computer Science undergraduate specializing in Data Science with strong skills in data structures, full-stack web development, and database management. Experienced in building scalable applications using React, Node.js, Firebase, and RESTful APIs, with hands-on exposure to blockchain fundamentals and real-world system design.

Technical Skills

Programming Languages	Python, Java, C/C++
Web / App Development	JavaScript, Flask, Node.js, React.js, React Native
Core CS	Data Structures and Algorithms, Object-Oriented Programming
Databases	MySQL, PostgreSQL, SQLite, Firebase
Cloud / DevOps / Blockchain	AWS, Docker, Kubernetes, CI/CD, Blockchain Fundamentals, Polygon

Projects

AgriChain (React, Firebase, Solidity, Polygon) GitHub

- Built a full-stack web application for end-to-end agricultural product traceability using QR codes.
- Implemented role-based access control for farmers, distributors, and retailers.
- Integrated Firebase Realtime Database for real-time data synchronization.
- Added optional blockchain verification on Polygon to ensure data integrity and transparent supply chain tracking.

OneTap Print & Stationery System (Node.js, Database, Web Automation) GitHub

- Developed a web-based automation system to digitize campus printing and stationery services.
- Replaced manual workflows with secure order management and admin dashboards.
- Implemented cashless payment flows using a database-driven architecture.
- Improved operational efficiency and reduced processing delays.

LuxeStyle – Full-Stack E-Commerce Web Application (Node.js, REST APIs, SQLite) GitHub

- Designed and developed a full-stack e-commerce application with product browsing and cart management.
- Implemented secure user authentication and session handling.
- Built RESTful APIs using Node.js.
- Integrated a local SQLite database to support a complete shopping workflow with easy deployment.

Education

VNR Vignana Jyothi Institute of Engineering & Technology, Hyderabad, Telangana
B.Tech in Computer Science & Engineering (Hons.) — Data Science CGPA: 9.95
Graduation Year: 2028

Pragathi Junior College (TSBIE), Telangana
Intermediate (MPC): 98.7%

Bhadrachalam Public School (CBSE), Telangana
Secondary School (Class X): 95.6%

Achievements

- Secured **1st Place** in the **Project Contest (Software)** at **CONVERGENCE 2K25**, a National Technical Symposium organized by VNR Vignana Jyothi Institute of Engineering and Technology (Nov 2025).
